WHAT WE BUY

WHAT WE PAY

"I just want to thank you for your very fair, friendly and even generous purchase of some precious scrap from me. You explained everything to me every step of the way. You even gave me the benefit of the doubt on some of the stuff, paying

me extra. And Rev kindly made me an espresso coffee while I was waiting. It was more like a visit with friends than it was a business transaction. But I ended up with almost double what I had expected. Thanks again and every wish for success. I will certainly recommend you to every one I know"

WHAT WE PAY

"Hi ! I received your check today. I wish to thank you for your express and excellent services extended to me. I will highly recommend your company and use your services again and again."

Mrs. E Smith, Toronto

If you're selling gold in
Toronto, be sure to stop by our

Thornhill location for instant cash for gold. Whether you're selling gold jewellery for cash, looking to sell scrap gold, sell used gold, or sell gold jewellery, we are the scrap gold buyer of choice. Think of us when you want cash for gold in Canada. We are the most trusted Toronto gold buyer, and widely considered as the best place to sell gold.

#1 Strategy when selling your gold

Make sure you ask other gold buying companies what they will pay, per gram, for 10K ,14K 18K gold . Be wary of gold buyers that won't quote you a price over the phone, or try to tempt you with an immediate, but unfair payout. Also, be cautious dealing with gold buying companies which do not advertise their gold pricing on their web sites or pretend to be a gold refiner but do not own a gold refinery. Ask for the physical location of their refinery and visit them in person.
