**For Your Unwanted
DIAMONDS**

The advertisement features a collage of images. On the left, there are two diamond rings: one with a large central stone and another with a multi-stone design. In the center, a hand holds a fan of Canadian 100 dollar bills. On the right, a hand holds a collection of gold jewelry, including a ring, a chain, and a pendant. The background is a light beige color with a subtle pattern.
